

# IBL Seafood

Our passion will take us further than we dreamed

# IBL Group

## A leading diversified group with a global presence

IBL is a world-class diversified group based in Mauritius and active in 19 countries worldwide. We work and invest in over 280 companies in nine industries globally. We are listed on the Stock Exchange of Mauritius

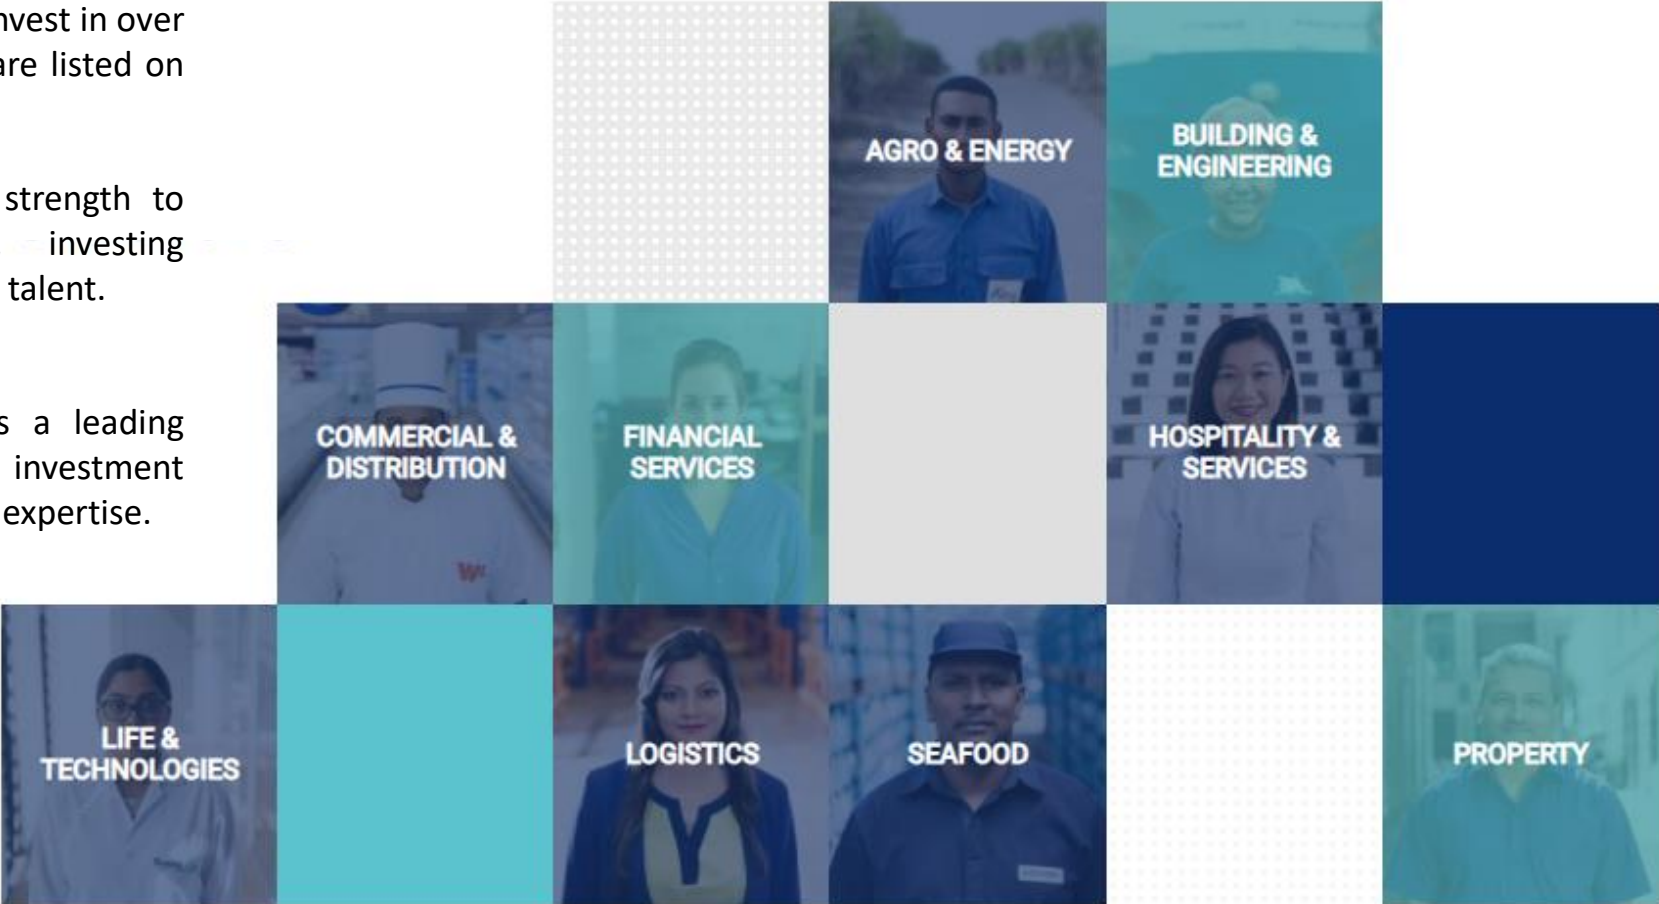

For the past 190 years, IBL has gone from strength to strength by anticipating market trends, investing strategically and surrounding itself with the right talent.

Today, IBL's objective is to be recognised as a leading international group anchored in a robust investment portfolio, a culture of excellence and world-class expertise.

## Why you should partner with us.

---

### **ONE STOP-SHOP - STRENGTHENING MAURITIAN 'CORE'**

Provide full services and products from Fish landing and storage to finish products processing. 100% of the whole fish is valorised.

### **EXPANDING INTERNATIONALLY**

Strategically investing internationally, building on our world-class professional expertise we acquire after 50 years in the Tuna processing business.

### **CONTINUING TO INVEST IN OUR HUMAN CAPITAL**

We're aware that our hardworking and talented team members are our most precious asset. We're committed to proactively identifying, recruiting, rewarding and retaining the talent we need to ensure our ability to create value in the long term.

### **BY FOCUSING YOUR NEEDS**

The Cluster embracing the concept of Service excellence and continuous Innovation to deliver to you the products and services you require.
